Dear Brother-

In reply to yours of the 2d inst., I would say that herewith I send you a copy of the Constitution, &c, of our Society- & also one of our Circulars, intended for distribution among similar organizations. We shall be glad to learn that Princeton, like many other Cities & towns of our country, is stretching forth her hand in this good work.

Any information which it may in the future be in my power to communicate, I shall be happy to furnish- & remain,

Fraternally Yours,
John C. Morgan, M.D.,
